Thanks Clint. One thing to keep in mind is that this document is still a draft and we'll have an opportunity for additional updates to it, further characterizing uncertainty, following CASAC review. As for the charge, will share a draft with you shortly - we will following what was in the May memo.

I have a meeting request with the administrator being submitted so hopefully we'll get to talk with him soon. You and Bill will be included, who else from OAR would you recommend?

Thanks - Talking w/ OAQPS on it this morning. Think OPA/SAB were planning to announce CASAC membership & general timeline late this week.
